June 21, 2021 - You turned to their support service, because your hacked version of their software did not work with your interface? FFS! This time I was not so naive to answer that we just wanted to update our version of software. - Yes. - I am sure that they could eliminate this problem if your version of the software was in the system. - Yes. - So why did you contact their support service? "Well, because they said they could do it," I replied, deciding that it was true at the moment. - Yes, but I meant the other. - Well, because you said it is possible. - That's it. So why did you add
