?WALLPAPER? ?WALLPAPER? is a direct port, but it isn't actually a brand new game. There are also enemies that move, so you need to eliminate them, with the full power of your attacks, using the simplicity of game play, your coordination and reflexes. -----
?DESPAIR AN ANGEL? ?DESPAIR AN ANGEL? is a tower defense game, but instead of an obstacle course, it is a field of enemies. You have to use all your strength in order to protect the Angels that are descending. Enemies are attacking constantly, and you need to defend them using powerful weapons. Like all tower defense games, you need to place the weapons in a certain order, and the feeling of defeat can really be felt when you get attacked and lose.
